DESCRIPTION

Some vehicles may exhibit BLUETOOTH® hands-free and/or text messaging related concerns.

To improve the handling of BLUETOOTH® hands-free and/or text messaging customer concerns, Mazda created a special service and parts exchange program as of February 2010.

Customers experiencing related concerns should have their vehicle and/or device inspected according to the following procedure.

REPAIR PROCEDURE

- Verify customer concern.
- Check MS3 Online (Mazda Service Support System) for related service bulletins and service alerts.
- Verify that the customer has provided the correct phone or device.
- Confirm the device compatibility by web or smartphone.

	Go to:
1. Web	www.MazdaUSA.com/Bluetooth
2. Smartphone	MyMazda app; press MAZDA CONNECT

NOTE:

- When checking compatibility, be aware that phones may be approved for some functions but not for others.
- Scroll down to make sure there are no red X's in the compatibility list.

CONSUMER NOTICE: The information and instructions in this bulletin are intended for use by skilled technicians. Mazda technicians utilize the proper tools/equipment and take training to correctly and safely maintain Mazda vehicles. These instructions should not be performed by "do-it-yourselfers." Customers should not assume this bulletin applies to their vehicle or that their vehicle will develop the described concern. To determine if the information applies, customers should contact their nearest authorized Mazda dealership. No part of this bulletin may be reproduced in any form or by any means, electronic or mechanical---including photocopying and recording and the use of any kind of information storage and retrieval system ---without permission in writing.

5. If the steps above did not resolve the customer's concern, contact Mazda Hands-Free System Customer Care at (800) 430-0153 to review the concern further.

NOTE:

- If for any reason there was a mis-communication regarding the concern written on the RO, the Mazda Hands-Free System Customer Care representative can clarify it.
 - If Mazda Hands-Free System Customer Care has provided you a case number, they have determined there could be a problem with the hands-free module. However, a case number does not mean automatic module replacement. Proceed to next step.
6. Troubleshoot the vehicle according to the instruction on MS3 online or the Workshop Manual (ex. CX-5 WSM shown below):

SECTION 09 > BODY AND ACCESSORIES > ON-BOARD DIAGNOSTICS:

- If the cause cannot be determined through MS3 online or the Workshop Manual, contact the Mazda Technical Hotline for assistance and support.

NOTE: The Mazda Technical Assistance Hotline does not provide authorization for warranty or parts ordering.

- If it is determined that a new hands-free module is required, proceed to next step.

NOTE: Provide the case number to your parts dept. so they can order the part.

7. Replace the hands-free module according to the instruction on MS3 online or the Workshop Manual (section 09 > Body and Accessories > Entertainment > Bluetooth UNIT REMOVAL/INSTALLATION).
8. Verify the repair.

PARTS INFORMATION

Review the points below when ordering a hands-free Bluetooth unit:

NOTE:

- Use the Mazda Hands-Free System Customer Care case number to place the order with United Radio for the part exchange.
- Place the order online (it is not necessary to call United Radio directly).
- Select the United Radio link from the DAG (Dealer Assistance Group) Exchange Central website:

- https://portal.mazdausa.com/dealershome/service_parts/dag/exchange_page_1.htm

WARRANTY INFORMATION
